# HYPERALLERGIC

Sensitive to Art & its Discontents

## Art Movements

Tiernan Morgan

A 10-by-65-foot stained glass mural of [Vladimir Lenin](#) will be exhibited at the NETZWERRK exhibition space during Art Basel Miami Beach. The work was commissioned by [Erich Mielke](#) for the Stasi's headquarters in East Berlin. Art historian Thilo Holzmann recovered the work in perfect condition from a shipping container.

Richard Otfried Wilhelm, "Frieden unserem Erdenrund" ("Peace Around Our World," 1979)
